The Honorable Gloria Molina
First District Supervisor
County of Los Angeles
856 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisor Molina:

It is a pleasure to provide you with an update on golf operations within this Department.

- Our summer Junior Golf Clinics for 2006 have been completed at Lakewood, Marshall Canyon, Mountain Meadows and Victoria Golf Courses. Our final clinics will be held at El Cariso Golf Course during the week of August 21, 2006, and Diamond Bar Golf Course during the week of August 28, 2006.
- Golf staff had the opportunity to educate our fellow County employees on our golf courses, operations and programs at our Parks and Recreation Month Event held July 11, 2006 in the Los Angeles County Mall. Participants also had an opportunity to hit limited flight golf balls and receive instruction from our golf professionals.
- The last of five qualifying tournaments for the Los Angeles County/Public Links Golf Association Junior Championship will be held on August 15, 2006, at Knollwood Golf Course. The Championship Round will take place on September 9, 2006 at Los Verdes Golf Course.
- The Los Angeles County Golf Club website is being developed. We anticipate completion of the website by November.
- The driving range project at Maggie Hathaway Golf Course is in the design phase.

- The top four finalists for the 2006 Golf Course of the Year are La Mirada, Lakewood, Santa Anita and Chester Washington. A four member committee will conduct final evaluations and we will announce the winner in December.
- The National Association of Counties has recognized our Junior Golf Program as a 2006 Achievement Award Winner. Earlier this year the National Recreation and Parks Association also recognized our Junior Golf Program with an award.
- The August issue of *Southland Golf Magazine*, which is attached, highlights Los Angeles County in many articles. Pages 37 and 38 highlight all 19 of our Los Angeles County Golf Courses; pages 48 and 49 feature an article on Al Duhon, a golf coach at Chester Washington Golf Course; page 50 contains an article on Mike McMonegal, our Jr. Golf Coordinator; page 61 discusses municipal golf courses including Los Angeles County courses; page 72 talks about Los Angeles County courses and our reasonable rates to play on these courses, and finally, page 78 lists the Los Angeles County Golf System in an article entitled, *Southland Golf's Best of the West*.
- As a part of our ongoing efforts to market our Los Angeles County Golf Courses, each hole on every golf course now has our Los Angeles County Golf flag. So, everyone who plays our courses will now see the new flag on the flag stick when they putt on all 306 holes. Attached is a framed flag for you.

I thank you for the opportunity to provide an update on our golf operations.

Sincerely,

Russ Guiney
Director
